Midwestern Championships

SPONSORED FOR THE FIRST TIME by the Sioux City Figure Skating Club, the Midwestern Championships were staged on the mammoth Ice Arena of the Municipal Auditorium, January 31-February 2, and were well attended. In addition to the 124 entries in the various divisions, and their chaperones, large delegations from the Minneapolis, St. Paul and Omaha clubs were in attendance each day.

The well-organized meet, under the general chairmanship of Lowry Smith, Club President, allowed four days ice time for practice prior to the competitions. Harry N. Keighley, Midwestern Competitions Chairman, was assisted by a staff headed by George B. Jenkinson, Referee. The Cleveland Skating Club Memorial Trophy for the club winning the most points was awarded to the Broadmoor SC.—**HAROLD J. KELLY.**

Pacific Coast Championships

THE PACIFIC COAST CHAMPIONSHIPS brought over 150 contenders to the Polar Palace in Los Angeles the week of February 11th.

Up to the time of award presentations a number of places were not generally ascertained since they were so close. Several of the winners in figures toppled from their perch after the free skating.

One invisible award was given to Otto Dallmayr, Chairman of the Championships Committee, who was an excellent coordinator. He has patience, experience and understanding, but also has the ability to say "No" in such a way that one thanks him for it.

The Pacific Coast Championships are now history, but will be a pleasant mem-

ory. There was fine sportsmanship; win lose or draw everyone took it in stride. All wanted to attend the party so we had a wonderful time. The secret of a good party is to be real crowded. We Were Too!!—MYRTLE GIRTEN.
