

Sectional Sweep ★

Skaters who placed among the first three in Sectional Junior Singles are eligible for National Novice competition and the first three in Sectional Senior Singles qualify for National Junior. The first three pairs from Sectional Senior will enter the National Junior Pair event. Couples finishing first, second or third in the Sectional Silver and Gold Dance will be eligible for the same events at Nationals.

Sectional events which are non-qualifying for Nationals are: Juvenile and Novice Singles, Junior Pair, Bronze and Veterans' Dance.

Skaters are listed in the order of their final placement with their position after compulsory figures or initial dance round in parentheses. In Dance events, only those couples placing first, second, third and fourth (through eighth in Gold Dance) win the honor of competing in the final round.

Official Photographers: Easterns — Lee Parks; Midwesterns — Sam West; Pacific Coast — William L. Udell.
