FOUR SKATERS LAND SUDAFED TRAVEL AND TRAINING GRANTS

Four promising, young figure skaters were among the 29 female athlete recipients of Sudafed Travel and Training grants during the third grant period of 1994, the Women's Sports Foundation (WSF) announced recently.

Nicole Bateson-Rock of Spring Mount, Pa., **Jennifer Lucas** of Vail, Colo., **Christa Simpson** of Westminster, Colo., and **Natalie Vlandis** of Blue Jay, Calif., were named recipients of the cash grants — ranging from \$750 to \$1,250. The grants are intended to provide direct financial assistance to aspiring athletes with successful competitive records and who have the potential to achieve even higher levels of performance and rankings.

Bateson-Rock, 14, competes in both pairs and ladies freestyle. She, along with partner **Keith Tindall**, finished first at both the 1994 Eastern Sectional Championships and 1994 U.S. Championships in the Junior pairs division. The pair also placed eighth at the 1994 Grand Prix International.

Lucas, 14, competes in both freestyle and figures events. She finished fifth in figures and sixth in freestyle in the intermediate ladies division at the 1994 Midwestern Sectional Championships.

Simpson, 15, placed second in the long program and third in the short program at the 1994 Skate Dallas competition. She finished 11th overall in the novice ladies' division at the 1994 Southwestern Regional Championships.

Vlandis, 12, competes in both singles and pairs. She, along with partner **Jered Guzman**, placed fourth in the novice pairs competition at the 1994 U.S. Championships and the 1994 U.S. Olympic Festival. As a ladies competitor, Vlandis placed first in the novice ladies' competition at the 1994 Southwest Pacific Regionals.

In addition to receiving the cash grants, the four recipients will receive a Sudafed sports bag and lapel pin.

Since establishing the grant program in 1984, the WSF has awarded \$655,150 to 611 individuals and 128 teams who have established regional, national, or international ranking or the potential for such ranking. The grants serve to relieve some of the financial burden on athletes, allowing them to concentrate on training.

The Sudafed Travel and Training Fund is administered by the WSF, a Long Island, N.Y.-based non-profit educational organization serving girls and women in sports, and the grants are awarded three times a year. Sudafed, a line of over-the-counter cold, cough and sinus products became the title sponsor of the

program in the fall of 1992. Sudafed also has shown continuous support for the sport of figure skating through its involvement as a sponsor of the U.S. Figure Skating Association.

The WSF was established in 1974 and its programs enable girls and women to improve their physical and mental well-being through sports and fitness. Information about the Travel and Training Fund grant process and deadlines for the grant periods in 1995 can be obtained by calling the Foundation at 1-800-227-3988.

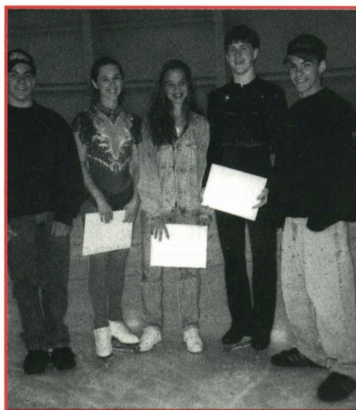

THREE SKATERS RECEIVE BARBARA TANORY FLOWERS ARTISTIC AWARD

Justin Dillon of Puyallup, Wash., **Annalisa Pesek** of Everett, Wash., and **Angela Meduna** of Boring, Ore., were named the recipients of the Barbara Tanory Flowers Artistic Award and were awarded \$1,000 grants during a special ceremony at the **Seattle SC Ice Fest 1994**, Oct. 7-9, 1994, in Mountlake Terrace, Wash.

The award was established by the family and friends of the late **Barbara Tanory Flowers** with the cooperation of the Seattle SC. Barbara Tanory Flowers, who held a dance master's degree and spent the last years of her career as a choreographer for skaters ranging from beginner to Olympic-level, died of breast cancer on Nov. 20, 1993.

During her many years in the Pacific Northwest, Flowers taught for the British Academy of Dance, Ewajo Centre and The Cecchetti Council on Ballet and choreographed "Rhapsody On Ice" for the Oregon Symphony. She was also remembered for having formed the Flowers Dance School in Hawaii.

The three recipients of the memorial award were selected on the basis of their high level of artistry in skating and their interpretation of music, as well as their maturity, dedication and need. The awards were presented by Flowers' sons **Zachary** and **Austin Flowers**.

The three recipients of the Barbara Tanory Flowers Artistic Award were presented \$1,000 grants at a ceremony at the Seattle Skating Club Ice Fest 1994, Oct. 7-9. Pictured, left to right, are: Zachary Flowers, Angela Meduna, Annalisa Pesek, Justin Dillon and Austin Flowers.

MARRIAGES

Scott Wendland and Betina Bishop were married in Newport Beach, Calif. on Aug. 6, 1994. A member of the All Year FSC, Wendland currently serves on several USFSA committees and was a member of the 1992 U.S. Olympic Team with former pair partner Jenni Meno.

Lisa Frenzel, a member of the Los Angeles FSC, married Brett Swain, a Los Angeles record engineer and producer, on Sept. 17, 1994. Frenzel is a PGA member and teaches at Iceplex in North Hills, Calif. She formerly was a member of the Broadmoor SC.

BIRTHS

April Sargent-Thomas, 1992 U.S. dance champion, and husband, **John Thomas**, member of the 1984 Canadian Olympic Team, are the proud parents of a baby boy, Rhye Jacob Thomas, born on Nov. 8, 1994. Rhye weighed in at 6 pounds, 9 ounces.

DECEASED

William J. Kerth died in an auto accident on Nov. 10, 1993. Kerth was the Director of Skating Events for the 1960 Olympic Winter Games in Squaw Valley. A former member of the USFSA Rink Operations Committee, Kerth designed and built ice rinks all over the world and owned Iceland, in Sacramento, Calif. But, he is perhaps best remembered as a wonderful skating instructor who instilled a love of skating in his students, enabling them to accomplish more than they thought possible both on and off the ice. He is survived by his wife, Jeanne, three daughters, three sons, and a sister.

Ruth M. Arendt, former competitive skater and instructor,

died on June 19, 1994, at the age of 63. Arendt trained as a competitive skater in Lake Placid, N.Y., under the tutelage of Gustave Lussi and competed throughout New England in both free skating and dance events. A 40-year professional teaching career working with children and young adults began at the Bolton SC. She joined the faculty at the University of Connecticut Ice Rink in 1965 where she developed and taught their skating program through 1971. She also founded the Storrs FSC and developed a learn-to-skate program for the Town of West Hartford, Conn. which she supervised for eight years. She joined the Charter Oak FSC and coached numerous competitive students. She soon was regarded as an outstanding free skating, school figure, and dance coach and show choreographer. She is survived by her husband of 44 years, William, three daughters, a son, a granddaughter, a sister, and two brothers.

Lorna Simmons Nolt, mother of former national junior pair competitors Suzannah and Jeffrey Nolt, succumbed to pulmonary complications stemming from her fight against lung cancer. Nolt, a freelance writer who wrote occasionally for *Skating*, was 56. She was a past board member of the Hershey FSC, a past member of the Delaware Olympic Committee, and a sometime trial judge. In addition to Suzannah and Jeffrey, she is survived by her husband, Joseph, her son, Joseph III, a daughter-in-law and two grandchildren.

Tom Fisher, father of USFSA Board of Directors member Vicki Korn, passed away on Dec. 17, 1994.

Harriet K. Young, mother of USFSA Memorial Fund Committee Chair Carolyn Kruse, died on Dec. 18, 1994, in Colorado Springs, Colo. She was 82. ■

WAYNE LEIKAM JR.

After watching the 1992 Olympic Winter Games on TV, Wayne started skating because it looked like fun. He joined the Wichita FSC in 1993 and is now working on his skating technique. He feels his main accomplishment so far is being able to skate without falling down. "My level is still basic, but I feel every time I get out on the ice I'm improving myself step by step. Thank you for letting me be a part of your organization, I feel quite proud of it!"

GEORGE F. METZ

At the age of 66 years, 9 months, and 6 days, George passed the Westminster Waltz, his final requirement for completing the Masters Gold Dance Test. Skating has been a part of George's life since the age of 2 when he began sidewalk roller skating to correct a birth defect in one foot. He entered his first competition when he was 14. Besides singles, he also competed in Pairs and Fours roller skating events, placing second in Fours in the 1944 Nationals. He became interested in ice skating after attending the 1945 U.S. Figure Skating Championships where he observed a young skater named Richard Button win the Men's Junior School Figures. George began ice skating and found it much easier than roller skating. He ice skated recreationally for years and in 1976 began to serve as an ice dance partner for test sessions. A year later, he decided to enter the ice dance test structure himself which culminated with the passing of the Masters Gold Dance Test in 1994. As President of the Yale FSC of New Haven, Conn., George hopes his achievement will

VICKI JO COSTANZO

Vicki returned to figure skating in 1989 after a 13-year absence. She competes at the adult junior level and is coached by Linda Stroh at the Pickwick Ice Arena in Burbank, Cal. Vicki placed first in the Adult Junior Light Comedy event at the Los Angeles FSC's Showcase of Skaters and placed second in freestyle and third in the technical program at its Spring Championship. Vicki strongly urges adults to take up skating, "It's fabulous exercise, clean, fun, and opens up a whole new world from the day to day living of the stressful responsibilities of adulthood." ■
